RETAIL MERCHANTS SEEK ARMOR PLANT

Association Indorses Movement to
Bring Factory to Capital.

By unanimous action the board of governors of the Retail Merchants' Association last night indorsed the campaign for placing the government's prospective \$11,000,000 armor plate plant in the District.

The board adopted a resolution directing the appointment of a committee to carry on the fight for the selection of the Federal zone as the site for the plant. A dollar day, a booster trip, an investigation of the gasoline situation in Washington, and other important matters were considered.

At the suggestion of T. C. Dulin, Wednesday, October 25, was set aside as Washington's first "Dollar Day."

Maryland residents south of Washington will be apprised of bargains through the medium of an automobile booster trip, leaving Washington Tuesday morning, October 17. The entire day will be devoted to calls at hamlets along the road to Leonardtown, Md. The trip will advertise the business interests of Washington and the "Dollar Day" program.

The Retail Merchants' Association will make a formal request of the District Commissioners to issue a regulation defining gasoline, and prescribing a test which must be met by the fluid sold to Washington motorists.

General Counsel M. D. Rosenberg presented the report of the committee on fake auctions which put through the recent legislation.

TEAMS FOR BENEFIT BALL GAME SELECTED

Board of Trade and Press Club Announce Tomorrow's Players.

Bones will creak and muscles will ache tomorrow night for the Press Club is going to begin to play a ball game with the Board of Trade at 3:30 o'clock at the American League Ball Park. The purpose of this self-sacrifice on the part of the scribes and commerce promoters is to aid the families of the National Guard.

The line-up of the newspaper men is: Jerome Connors, pitcher; John Marri-mac, catcher; "Cy" Cummins, first base; Robert Zachary, center field; Charles King, second base; Stuart Price, short stop; Stephen P. Early, manager and third base; Michael Flynn, left field, and Jack Hamilton, right field.

The Board of Trade team is composed as follows: R. L. Connor, third base; Joseph T. Davis, left field; Arthur A. Brandt, short stop; Charles H. Pardoe, center field; Malcolm A. McDonald, first base; Albert E. Lanvoigt, second base; William A. Rogers, right field; Frank S. Smith and Charles A. Aholt, catchers, and Andrew J. Walker, pitcher.

ARCADE AUDITORIUM OPENS.

The Arcade Auditorium opened last Saturday evening. The management had a large orchestra, which probably will be retained throughout the season.

Mr. Caruana, who is in charge of the floor, guarantees that a high standard will be maintained. The opening of the skating rink in the afternoon, in spite of the early season and bad weather, brought out many of the lovers of this sport. The electric organ and the shaped floor are expected to make afternoon skating seasons, at popular prices, a success.

TRADE BOARD FAVORS ARMOR PLANT PROJECT

President Brandenburg Says Members Will Work Individually.

"While the Board of Trade, as an organization, has taken no action and will not act on the proposal to locate the new government's \$11,000,000 armor plate plant in the District," said President E. C. Brandenburg, of that organization yesterday, "all of our members, as individuals, are enthusiastically in favor of the campaign now being carried on to that end."

"The board's attitude is one of encouragement to every new industry that can be attracted to Washington, and personally I have a deep interest in the efforts being put forth to gain the armor plate plant. Its location here would be logical and beneficial alike to the governmental departments concerned and the District."

"Members of the board are working quietly but persistently and, it seems, effectively, to uphold the hands of the Chamber of Commerce and other organizations engaged in the campaign."

"The District offers every facility for such an industry as the armor plant," said Edward F. Colladay, president of the Federation of Chamber of Commerce Associations, which is expected to act on the project October 7.

Col. Robert N. Harper, chairman of the Board of Trade and Chamber of Commerce manufacturing committees, emphasized the advantage offered here by five lines of railroad, and said labor in the District would be better housed than in almost any other place. He said also that water transportation facilities are ideal.

SAYS AMERICAN STOOP PREVENTS BRAIN WORK

Mrs. Katherine Debney Urges Adoption of Swiss Military System.

The Swiss system of military training and an eight-year term for the President of the United States were remedies to cure some of our political ills, advocated by Mrs. Katherine Debney and Dr. Belva Lockwood, at the meeting of the Women's Peace and Prosperity League at the Raleigh Hotel last night.

"The brain of the average American doesn't function properly because his body is prevented from functioning properly by the typical American stoop which our young men have," said Mrs. Debney. "The Swiss system of beginning military training for all male citizens at the age of 19 would correct this deformity in our boys."

Mrs. Lockwood said that President Wilson had been hampered in his efforts by the cries of the people and that the country owed him a profound debt of gratitude for his keeping the nation out of war.

The meeting adopted a resolution thanking the President and thanking him for his efforts in behalf of peace and honor.

A letter was read from Mrs. Franklin K. Lane, president of the league, in which the Republican administration was termed "that old rule of boomerism."

The league has chosen permanent headquarters at Fifteenth and F streets in the quarters once occupied by the Cafe Republic.

WEATHER CONDITIONS.

For the District of Columbia, Maryland and Virginia—Partly overcast and warmer Wednesday, probably followed by showers and thunderstorms Wednesday night and Thursday; fresh southerly winds.

In the Middle Atlantic and New England States overcast and warmer weather on Wednesday will probably be followed by showers and thunderstorms on Thursday. In the South Atlantic and East Gulf States the weather will be generally fair Wednesday and Thursday, except that showers and somewhat lower temperature are probable Thursday in Mississippi and Alabama. In Tennessee and the Ohio Valley cloudiness will increase Wednesday and lower temperature Wednesday night or Thursday.

The winds along the North Atlantic coast will be moderate to fresh south to southwest and overcast, on the Middle Atlantic coast, moderate southerly probably increasing and fair weather; on the South Atlantic coast, moderate northeast and east and generally fair weather.

SEEKS DISSOLUTION OF COMMERCE BUILDING CO.

Richard A. Ford, who says he is a stockholder in the Commerce Building Company, yesterday petitioned the District Supreme Court that the company be dissolved, a receiver appointed, the assets be disposed of and the proceeds be distributed among the stockholders.

The petition states the company was incorporated with a capital stock of \$150,000, that it secured real estate at Nineteenth street and Pennsylvania avenue and erected the Commerce Building, and that the building was later rented to the government for a period of five years. This year, the petitioner says, the building was sold to Henrietta M. Halliday for \$200,000.

Hurt Running for Car.

Henry F. Bowman, 56 years old, of Beltsville, Md., while running for a car on Pennsylvania avenue, at Third street northwest, yesterday stumbled and was thrown on his face. He was cut over the eye. An ambulance from the Emergency Hospital removed him to that institution, where his injuries, which are not serious, were treated.

MAY DISTRIBUTE ASSETS OF MRS. McLEAN'S ESTATE

Justice McCoy, of the District Supreme Court, yesterday signed an order authorizing the distribution of the assets of the estate of Mary L. McLean, mother of the late John R. McLean.

The order was issued in connection with the case of John R. McLean against Frederick Hamilton and others and involved the construction of the will of Mrs. McLean. The estate involved amounted to about \$42,000.

The present distribution was made to Edward B. McLean upon his application as the only child of the late John R. McLean.

SULLIVAN WILL RECOVER.

The condition of James E. Sullivan, the fireman who was taken to Freedman's Hospital Monday suffering from poisoning, was reported as favorable last night.

He was said to be resting easily and will recover. Sullivan is a member of No. 5 truck company. Officials say he is under charges and is being carried as absent without leave. He has not been on duty for some time.
